

## Preventative measures to limit the spread of COVID-19

Dear Customers!

We care deeply about the safety and health of our customers and staff and have a scope of preventative measures to limit the COVID-19 outbreak as advised by local health authorities and governmental guidance\*.

We wish you safe travels,  
Your FBO RIGA

\*Republic of Latvia Cabinet Regulation No. 360 Adopted 9 June 2020 Epidemiological Safety Measures for the Containment of the Spread of COVID-19 Infection.

### FBO RIGA ensures

#### Staff

- Face mask is mandatory while serving the passengers and visitors.
- Use of gloves while serving passengers and visitors.
- Minimum 2 m distancing.
- Daily fever check arriving at work.
- Split into teams that are not mixed to reduce chance of employee exposure.
- Follow all hygiene guidelines (specially, hands washing and disinfection).

#### Disinfection

- Hand disinfection devices in the terminal.
- Disinfecting all commonly touched surfaces.
- Sanitizing all premises and equipment after each visit, before any arrival and after any departure, and upon the start and end of each shift.
- Increase cleaning and disinfection activities and its frequency.

- Remove excess decoration over tables and avoid office supplies out in the open. Provide pens as needed and sterilize before and after use.

### People flow

- Reduce the persons traffic flow till minimum, avoid unnecessary frontal contact.
- Control and regulate access of vendors and visitors. Meet them outside the facilities and do not let them inside.

## FBO RIGA expects from you to stay responsible and follow the precautions:

Face mask inside of the terminal is mandatory!\*

Clean your hands often and disinfect them when entering the terminal

Maintain a safe distance – 2 m

Stay home if you feel unwell

Follow the directions of your local health authority
