

COVID-19 restrictions and requirements in Latvia

Updated: 1 April 2022

Covid certificate or test is required only from the [very high-risk countries defined by the Centre for disease control and prevention](#). Currently no country is defined as a high-risk country what means that **Covid certificate or test is not required anymore as from April 01, 2022.**

No more required:

- No Covid certificate.
- No Covid test.
- No passenger locator form Covidpass.
- No self-isolation.
- No additional tests upon arrival.
- No voluntary tests anymore provided at the Airport.
